

Reservoir Committee of Envision Arlington

Date: Tuesday, April 19, 2022.

Time: 7:30 PM.

Location: Via Zoom

Attendance: David White, Johanna Meyer, Stephan Miller, Ann LeRoy, Michael Ratner, George Stephans, Cathy Garnett, Mary Diaz-Przybyl.

Agenda –

1. Check-ins and Observations from around the Res.

Dead birds were picked up. Swans nest is too exposed. Pair of great Blue Heron are around. Water level is still relatively low as the dam gate is down.

2. Update on Res Master Plan work – Mostly working now at the parking lot and the beach areas. New plantings are planned for later this Spring.

3. Review previous meeting notes - Approved.

4. Review work done with Arlington Mass Invasives (ArMI) group at the last workday. How can we improve it? Should we work together or back-to-back? Together seems best if we have enough volunteers, it is a good cross pollination.

5. New Garden Areas ?

Add the Rain garden next to the Hurd Field parking lot to our maintenance? Renovation needed trying to find one of the new volunteers to spearhead it.

Add that fenced area between the damaged bridge and the overflow to our garden areas? The soil is not good but full sun and could be fenced. It is a possible place for a shed.

7. Workday – Saturday April 23, 9-12

Work on getting the soil ready for planting and staking and building the new path. We should give away the anemone growing outside the garden and on the path.

8. Review May events-

a. May 7 Ecoweek Garlic Mustard Pull

b. May 14 Girl scouts Garlic Mustard Pull

c. May 23 - Workday 12:30 New plantings. Request the BARPCV for this day

9. June 18 Reservoir Grand Opening Ceremonies- We will have the Girl scouts mounting signs. We can offer the Green Blossom Painting Coloring pages with crayons or watercolors to paint. It may be too difficult to plant anything that day.
